

FPCS AUCTION DONATION IDEAS

These are ideas just to get you started. What builds the most interest at a Fundraiser Auction is ***unique experiences and not necessarily something we can buy*** for ourselves. You may not have a cabin or gym membership to donate, but you know people, shop in local businesses, and have talents and abilities. Perhaps know a local business owner; you might be a great cook; maybe you are handy with a hammer and saw; you might have a green thumb or an eye for design. **Your connections and skills could be a great auction items!**
